

The Journal of Private Enterprise, published by The Association of Private Enterprise Education — Table of Contents, 1999 to Spring 2011

“Since its founding in 1985, the *Journal of Private Enterprise* has become an important forum for scholarship in private enterprise. It has developed a rich mix of contributors ranging from Nobel Prize winners to promising younger scholars, spanning the full range of areas where private enterprise applies, including economics, entrepreneurship, public policy, history, religion, and philosophy.”
